

## Isaac Newton

(1642—1727)

Brilliant English  
Scientist who -

- believed in a Creator.
- said that Bible truth is the greatest treasure!
- shared the truth with others.
- prayed every day for the Kingdom to come.
- knew & used God's name Jehovah.

**Isaac Newton was a great Bible student  
but is famous for:**

- *inventing the reflecting telescope*
- *discovering the law of gravity & the 3 laws of motion*
- *discovering that white light is made up of all colours*
